

The Village Voice

LYNCHBURG, OHIO EST. 1830

FEBRUARY 2019 ISSUE

Congratulations, to Lynchburg-Clay Senior

Peyton Scott.

She continues to rewrite basketball history with each passing game. Peyton is now the all-time leading scorer for boys and girls basketball, single-game leading scorer for the Lady Mustangs, and now the second-leading scorer in the history of Highland County. The Southern Hills Athletic Conference has named Peyton as receiving All-SHAC honors, as well as being part of the girls 2018-19 Winter Basketball Team. What remarkable and inspiring accomplishments. The community is in celebration, extremely proud, and wishing her the best!

IN THIS ISSUE :

- Spaghetti Dinner
- Community Yard Sale
- Dumpster Day Details
- Avoiding Freezing Pipes

Dumpster Day Details :

Dumpsters will be located at the Street Garage on 303 Wise Road in Lynchburg. Participants must have a copy of their utility bill to utilize these dumpsters.

No refrigerators, AC's, batteries, or tires.

Dates:

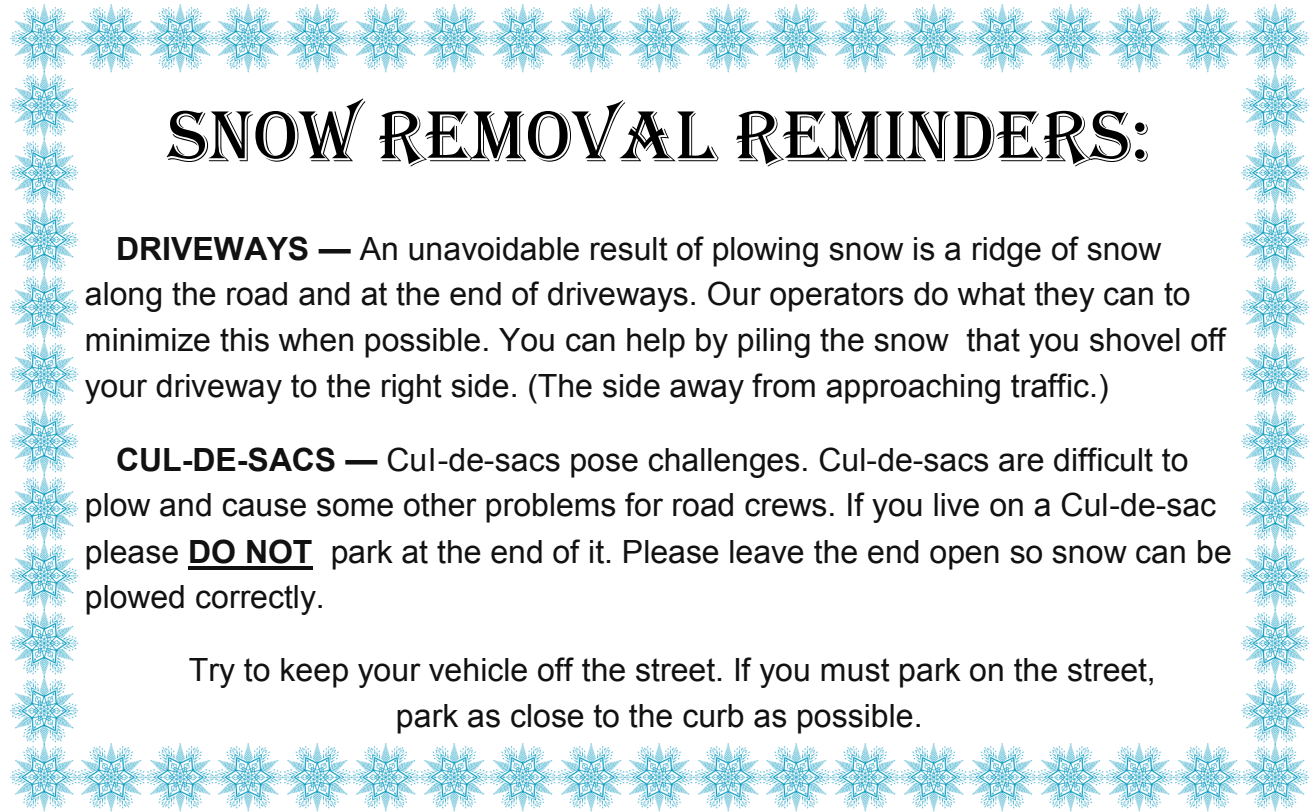

June 6 th	from 9am - 3pm
June 7 th	from 9am - 3pm
June 8 th	from 9am - 12pm
August 9 th	from 9am - 3pm
August 10 th	from 9am - 12pm

With the temperatures dropping, freezing pipes can be an issue during these cold months. You can take preventative measures inside, to help avoid this. Here's what you can do:

- Allow your faucets to drip. Even a trickle will help prevent freezing.
- Keep the thermostat consistent, at the same temperature both during the day and night.
- Opening kitchen/bathroom cabinet doors will allow warmer air to circulate around plumbing, especially if your sinks are on an exterior wall.
- Seal up any cracks and holes to prevent drafts.
- For long term, consider adding insulation to attics, basements & crawl spaces.

Do not open meter pits during these cold temperatures. Doing so can cause the meter to freeze. These meters are for Village personnel use only.

SNOW REMOVAL REMINDERS:

DRIVEWAYS — An unavoidable result of plowing snow is a ridge of snow along the road and at the end of driveways. Our operators do what they can to minimize this when possible. You can help by piling the snow that you shovel off your driveway to the right side. (The side away from approaching traffic.)

CUL-DE-SACS — Cul-de-sacs pose challenges. Cul-de-sacs are difficult to plow and cause some other problems for road crews. If you live on a Cul-de-sac please **DO NOT** park at the end of it. Please leave the end open so snow can be plowed correctly.

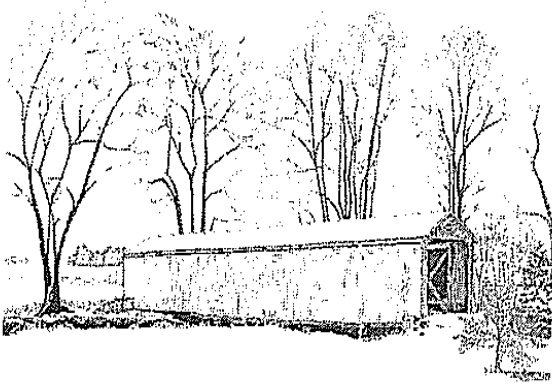

Try to keep your vehicle off the street. If you must park on the street, park as close to the curb as possible.

We are pleased to inform you

**THE POLICE DEPARTMENT HAS MOVED
A COUPLE DOORS DOWN, NEXT TO THE UTILITY OFFICE!**
