PASSED LEGISLATION

Ordinance No. 2016-18, An Ordinance to Establish Availability Charges for the Water Distribution System and to the Waste Water Collection System

Ordinance No. 2017-4, 2017 Annual Permanent Appropriations Ordinance

RECYCLING BINS

Please note that the Recycling Bins that are located on Main Street are not dumpsters. This is a free service that is provided to our residents by Rumpke and if it is abused they will no longer offer this service. Please do not use this as a trash bin. The following is a list of acceptable items that can be placed in the recycling bins.

Plastic bottles and jugs

Glass bottles and jars

Aluminum cans, steel cans, and lids

Paperboard (like cereal boxes)

Cardboard

Office paper, envelopes, junk mail

Newspapers, magazines, telephone books, catalogs

These items can be all mixed together. No separation is required. They just ask that all bottles, jugs, and cans be empty. Please flatten all cardboard, and empty, crush, and reattach lids on plastic bottles.

Never place medical sharps or needles, metal, batteries, tires, car parts, wood, electronics, foam, or food in the recycling bin.

We would appreciate everyone's assistance with this matter.

The Village Needs Your Help!

Town Clean up Day May 13, 2017 9:00am-12:00pm

The Village has received several complaints from residents about property owners in the Village not properly disposing of their trash, leaving newspapers lay in the front of their yards, and or maintaining their property. We need your help in cleaning up our Village. Please be advised that property upkeep is part of the Ohio Basic Code 93.41 Failure to comply with this notice required by such section, the Legislative Authority shall cause such litter removed and may employ the necessary labor to perform the task. These expenses, when allowed, shall be entered upon the tax duplicate and place a lien upon such lands from and after the date of entry and be collected as other taxes and returned to the municipality with the General Fund.

With that being said we will be having a Town Clean Up day May 13, 2017 from 9:00am-12:00pm. We will have 2 oversized dumpsters available for our residents to utilize. In addition, we are looking for Volunteers to assist us with cleaning up the litter in our town. We will be meeting at the Old School Park located on Pearl Street at 8:45am May 13, 2017. We will provide trash bags and gloves . Lets make this clean up day a success and make our town look nice again. We appreciate your assistance with this matter.
