**A County-wide curfew will commence on Thursday, October 1st for all persons under the age of 18 years.**

**The curfew will run through October 31st and require all persons under the age of 18 years to be off the streets and in their homes by 10:00 P.M., Monday through Thursday and by Midnight Friday, Saturday, and Sunday. The curfew does not apply where children are accompanied by parents, legal guardians, or custodians.**

## Trimming in the streets & alleyways :

Streets, sidewalks, and other public right-of-ways are for everyone's use. Property owners are responsible for their trees and all other vegetation in the public right-of-way next to their property. Overgrown vegetation is a safety hazard and limits the use of sidewalks, trails, streets and alleys. It further threatens public safety when vegetation blocks the view of traffic signs, signals, vehicles, or cyclists.

Trimming vegetation and caring for your trees & shrubs are effective ways residents can enhance neighborhood safety.

- \* **Within the month of November, The Village of Lynchburg will address trees and overgrown vegetation that are found to be within the portion of the road or alleyway (approximately 2' on each side).**
- \* **Residents that have ornamental trees or shrubs within the streets or alleyways need to remove or relocate them as soon as possible.**
