NOTICE

WATER VALVE

The Village of Lynchburg recommends that someone be present when your water service is turned on.

If no one is present, the Village **is not** responsible for any damage caused at your service address.

The Village suggests a shut off valve be installed on your service line where water enters the residence dwelling. The shut off valve at the company’s meter setter is for Village use **ONLY** and is not intended for customer use.

As a onetime courtesy the Village will turn water off & on for maintenance work free of charge. Each additional turn off and turn on will be charged a \$25 each.

**PLEASE BE A
GOOD NEIGHBOR
CLEAN UP
AFTER YOUR DOG**

**Please pick up your
pets’ waste to help
keep our community
clean, free of
potential health
hazards, and
environmental
pollution.**

In Ohio, all dogs must be supervised and kept physically confined or restrained upon the premises of the owner, or keeper by a leash, tether, adequate fence, or secure enclosure to prevent escape.

The intent of the law is to protect the health & safety of the public and to protect your pet.
