EXCITING NEWS FROM THE DESK OF THE MAYOR

Good News Village Residents! I am excited to announce that we will have (2) new businesses coming to our Village, in 2024. Council and I, made a motion to sell the building formally known as the "Old Police Department" to Tim and Kim Case, of Case Custom Meats. Tim and Kim Case will begin renovating the building over the next several months. They will be offering fresh and frozen meats as well as some other products. The Case's are currently in the process of building a slaughter house/butcher shop, which will be located in Clay Township. This is very exciting news to our village residents as well as the entire community. Case Customer Meats plans to open in 2024.

In addition, to Case Custom Meats, I've had many conversations and meetings with the Kratzer family and a local pharmacist. I'm excited to announce that the pharmacy formally known as Krater's Pharmacy has plans to reopen to the community in the Spring of 2024.

I would like to Thank everyone that attended the 1st Annual Village Block Party! It was a huge success with over 100 people participating in the event. We look forward to next year!

Stay tuned, more Economic Development news to come!

Yours Truly,

James Burton
