FELINE FIX-IT PROGRAM

YOU MUST BE A RESIDENT OF
HIGHLAND COUNTY AND BRING CATS
FROM ONLY HIGHLAND COUNTY.

BY THE HIGHLAND COUNTY HUMANE SOCIETY

The Highland County Humane Society has created a program to help cut down on the amount of stray community cats.

This is a low-cost option of \$30 per cat. For those who are low income and qualify for assistance it is \$10 per cat. Each cat is given an ear tip to let others know that the cat is already altered. The program is ONLY for un-owned community and feral cats. For those interested in spaying/neutering their own, personal, cats it is \$30 and would include a rabies vaccine.

Sign up at the shelter - up to 2 cats per clinic date.

For more questions, detail, or more on how to qualify for the reduced rate please call **937-393-2110**.
